

## **DIASTAT ORDERS**

### **ATTENTION PHYSICIAN Please read prior to completing Diastat orders.**

- RX for school only if Diastat has been administered within the last 12 months
- LPPS guidelines allow for trained unlicensed personnel to administer Diastat
- FDA guidelines for Diastat – If administered at school it should not be administered at school again within a 5 day period. The student may return to school 12 hours after administration and 911 and/or parent should be called if seizure occurs during the 5 day period.

If you have any questions call Jennifer Wilkinson RN, BSN School Nurse Coordinator at 225-686-4368.

Sincerely,

Jennifer Wilkinson RN, BSN
